decision we've ever made!"

*Dr. Harry & Dr. Satinder  
Ajrawat, Potomac, MD*

# Physicians Wellness & Weight Loss Program

**NEW**  
Pharmaceutical Grade  
**Omega-3  
Fish Oil**

The **Physicians Wellness and Weight Loss Program** is now being implemented by hundreds of doctors nationwide. Our program offers physicians an opportunity to develop a business that can earn immediate income and develop a passive residual income with a turnkey program that doesn't require a large investment of time. We have an extensive line of quality health-related products including antioxidant formulas along with preventative care and anti-aging nutritional supplements. Our flagship line of products includes five highly effective **Weight Management** formulations. Our entire product line is completely listed in the **Physicians Desk Reference (PDR) for Non-Prescription Drugs** and has a proven track record for twelve years running.

The Physicians Wellness and Weight Loss Program would be a perfect complement to your existing practice without increasing overhead and very reasonable start-up costs. Provide the products your patients want while creating a profit center in your office. We help ensure your success with an all-inclusive turnkey program that provides a customized website, training, promotional materials, displays and ongoing support for both you and your staff.

**100% Money Back Guarantee to your patients**
